Improve Yourself

You need to be very patient to achieve something in languages. Sometimes it seems to be off the path or might look worthless, but if you are interested in it, I want you to stick to your goal. 'If there is a will, there is a way.' Don't you want to broaden your horizons and enjoy your life and studying? If you can do it, you will be able to improve yourself and see more things.

作为人的巨大价值

学习语言时，出来结果为止有很长的路程。即使偶尔偏离目标，或许只是一件徒劳的事情，但对自己现在走的路，正在做的事感到有兴趣，那请你尽力而为，享受自己的乐趣吧。未来是在现在的延长线上。你不想充分享受每天的生活和学习，来扩大自己的学习广度和与他人的相遇吗？如果这样做，一定能提高“作为人的巨大价值”。
